## Professional Experience

---

**Web Developer, Intern @Arsved Pvt Ltd**

11/2023 – 12/2023

- Developed and launched a **responsive, user-friendly** website for a healthcare product startup, enhancing user experience and accessibility across devices
- Enhancing visibility and leading to a **35% increase in new users** within the first quarter post -launch.
- Transformed designs into pixel-perfect, **responsive** interfaces using **React** and **TailwindCSS**.

## Projects

---

**LangDetect**, A Python-Based Language Detection Project. [🔗](#)

- Developed in **Python** using **pandas** for data handling and **scikit-learn** for feature extraction.
- Utilized **Multinomial Naive Bayes Classifier** for prediction and achieving accurate language classification.
- Included data loading, **vectorization**, and model training for robust performance.
- Successfully classified user-input text data based on language.

**ChatterSphere**, A real-time chat application enabling seamless communication through personalized chat rooms. [🔗](#)

- A complete **real-time chat application** built using modern web development technologies.
- Utilizes **React.js** for the frontend, **Node.js** for the backend, and **WebSockets** for real-time communication.
- Developed a **responsive UI** with **React**, facilitated smooth data fetching with **Axios**.
- Includes personalized chat rooms, and message delivery with an intuitive UI/UX design.

## Side projects:

- **Portfolio** – A personal portfolio for myself [live] [🔗](#)
- **ShopEase** - A eCommerce website developed during college competition [live] [🔗](#)

## Skills

---

**Frontend:** React.js , TailwindCSS , HTML/CSS, Bootstrap

**Backend:** Express.js , Node.js

**Databases:** MongoDB

**Languages:** Javascript , Python, C++

**Others:** Vercel, Netlify, Github, Microsoft Tools

## Certifications

---

- NPTEL Python for Data Science – IIT Madras
- IBM Machine Learning with Python

## Organizations

---

**ElectroWizard-SRMCEM, Controller**

Led the robotics team as **Controller**, organizing plans, managing resources, and ensuring smooth operations, which led us to **win Robowars at IIT-J**, etc.

## Education

---

**Bachelor of Technology, IT**

Shri Ramswaroop Memorial College of Engineering and Management

2021 – 2025

Lucknow, India
